

# Tired of waiting in Long Lines?

This year, Equipe Rapide is offering the choice to Pre-Pay your entry fee for the 2015 season. This will lock-in your work assignment and reserve your car class and number for the year. The Pre-Pay package this year is the best ever!

Best of all, on the day of the event, all you have to do is check-in with the Worker Chief, go to the front of the Registration line to sign the release waiver and have your card pulled, and then take your car to tech.

**You must check-in with the Worker Chief before 8:30 a.m. or you risk losing your chosen work assignment.**

Still Interested? You will receive 10 events for the price of 7. This is a 30% savings.

To take advantage of this offer you **must** be a member of Equipe Rapide for the 2015 season. Just fill out the registration form on the following page, make out a check to Equipe Rapide in the amount of \$265.00 or \$270.00 and mail to:

Equipe Rapide 202 Mourning Dove, Krum, TX 76249

Membership and prepay are also available in the Equipe Rapide club store in AXWare ORM.

If you are willing to work cleanup we are offering an **even better** deal! We are offering Late Arrival Check-In for cleanup positions. Just arrive before 10 and let the registration and tech folks know you have arrived. These positions are first come first served so if you are interested, you must act fast!

**The fine print:** Car numbers will be assigned on a first come first served basis. Work assignments will be based upon indicated preference, skills of the individual, and the date of receipt of the below registration form. (One check for both Membership and Pre-Pay is acceptable, if both forms are mailed together.) There will be no refunds on pre-pay for Challenge Cup or Rapide PAX.
